

Campus Buzz Rocks NISCORT

Alive News 24x7, a portal channel, conducted its Campus Buzz programme at NISCORT on 1 October 2016. Campus Buzz is a talent hunt programme of the channel for different campuses of NCR-Delhi. The event had three segments; chitchat with students, talent hunt and interviews with the Director and the faculty.

The chitchat with students included queries about how they spend their free time and enjoy campus life. “We don’t get much free time as we have lots of assignments but the little time that I get, I spend in front of the mirror doing makeup” said Aparnajitha, a second year MABJ student. The talent hunt included dances from Talima Johnson and Tijo, a group dance, and songs from Tripti and Angelin. Dr Ritu Dubey, one of the faculty members, rocked the occasion with her dance.

In the interview Dr. Jose Murickan, the Director explained the vision and history of NISCORT as a media training college. The interviews also included bites from Fr. Jerry Joseph and Dr. Ritu Dubey. The programme ended with catwalk by the students. Campus Buzz is broadcast on *Alive News 24x7* on Youtube. Ms Komal anchored the event.
