

## Graphic Designing Course 2017

The able expertise of Professor Ruchika led sixteen students on a quick path of discovering the basics of Graphic Designing. Prof Ruchika taught the students the basics of Graphic Designing on Photoshop, Illustrator and Indesign in a week that saw excitement and thrill on behalf of the students on being able to design creatively.

Prof Ruchika's students were enamoured by her simplicity and her skills in reaching out to every student. Here are a few glimpses of the course in action.
