

News Reporting and Creative writing: Prof. Amit Sengupta

The News Reporting and Creative writing course was organised from May 22-27, 2017 with a turnout of 20 students. Although the number was restricted to 15, we had a surplus of five more students who benefited from the able guidance of Professor Amit Sengupta. The students were enthralled by the vast knowledge of their Professor who ably taught them the skills on New Reporting. The students also learnt how to work on Indesign so that they can get a feel of Newspaper designing. Glimpses of this course!
