

## THE INAUGURATION CEREMONY 2017-2018

The academic year begins on a wonderful and academic note with a highly motivational talk on the topic 'Political economy of the Media in India', by Professor Shashwati Goswami, an Academician from IIMC. The programme was enhanced by the inspiring talks of the director and the Dean who also encouraged the students and spoke about the numerous initiatives that would be included during the course of this year. A glimpse of the occasion!
